Still have questions? Contact us at admin@coloradoproduce.org

- CFVGA is the go to resource for Colorado produce growers of all types and sizes and for their supporting goods and services.
- The Colorado fruit and vegetable growing sector contributes \$485 million to Colorado at the farm gate and is multiplied as it goes through the distribution chain.
- Over 90,000 Colorado acres are in fruit and vegetable production.
- Last year's conference drew nearly 300 growers, allied industries, researchers & health-focused organizations, nearly double the number of attendees expected.
- Health concerns from individuals, institutions and restaurants place the Colorado fruit & vegetable industry in an enviable position to promote wholesome, local produce.

Your organization needs to be an EXHIBITOR, because it is an opportunity to:

- meet & visit with produce growers and allied industries throughout the state
- better understand the challenges and opportunities that growers face
- position your company or organization as part of the Colorado produce industry

To become an EXHIBTOR, please complete the Request for Exhibitor Space form found at <https://cfvga.org> and submit to CFVGA Executive Director Marilyn Bay Drake at admin@coloradoproduce.org Booth space for 2019 CFVGA Sponsors will be assigned immediately and guaranteed through Dec. 31, 2018.
